

CAPABILITY STATEMENT

Government Transportation and Logistics Management

SBA Certified SDVOSB and VOSB

SAM ACTIVE | **UEI P5J4T478B9C8** | **CAGE 23AN9**

COMPANY OVERVIEW

ADAN Logistics LLC is an SBA Certified Service-Disabled Veteran-Owned Small Business and Veteran-Owned Small Business that manages transportation and logistics requirements for government and institutional customers. ADAN provides centralized contract management, compliance oversight, quality control, reporting, and coordinated service delivery through qualified operating partners selected for each requirement.

CORE CAPABILITIES

- Transportation program and contract management
- Non-emergency medical and wheelchair transportation support
- Pupil, special-needs, shuttle, and scheduled passenger transport
- Transportation coordination, routing, dispatch oversight, and reporting
- Time-sensitive and multi-location movement support
- Logistics planning, freight arrangement, and vendor coordination
- Quality assurance, performance monitoring, and issue resolution

MANAGEMENT APPROACH

ADAN serves as the accountable prime contractor and customer interface.

- Solicitation analysis, compliance mapping, and mobilization planning
- Partner qualification for fleet, personnel, licenses, insurance, and capacity
- Opportunity-specific workshare, pricing, reporting, and performance controls
- Centralized customer communication, invoicing, and corrective action

DIFFERENTIATORS

- Veteran-led management with 20 years of military and federal logistics experience
- SBA-certified contracting eligibility with disciplined prime-contractor control
- Scalable partner model supported by contract-specific due diligence
- Clear accountability for compliance, quality, reporting, and customer service
- Mission-focused planning for recurring, surge, and time-sensitive requirements

CUSTOMERS AND TEAMING

- Federal agencies, state and local governments, school districts, medical facilities, and institutional customers
- Large prime contractors seeking qualified SDVOSB transportation or logistics teaming support
- Asset-based transportation providers seeking structured government-contracting opportunities

MISSION READY
TRANSPORTATION MANAGEMENT

Capability is validated for each procurement. Partner-supported services depend on verified licensing, insurance, fleet, staffing, geography, mobilization, and contract-specific workshare. SBA certification does not constitute SBA endorsement of services.
